Sun City Fire & Medical Department is currently recruiting for full-time firefighter positions. To be considered for the first review of applicants, testing must be done by October 7, 2022.

The Sun City Fire & Medical Department is looking for some exceptional men and women to become valued members of our professional, innovative, and progressive public safety agency.

Sun City is the first active, planned adult community in Arizona. The Sun City Fire District was formed on June 16, 1966 and is one of the busiest of the 130+ fire districts in Arizona. The Sun City Fire District is 17.5 square miles and encompasses the communities of Sun City, Youngtown, and Citrus Point. The Sun City Fire & Medical Department is part of metropolitan Phoenix area consortium of fire departments that include Phoenix, Glendale, Peoria, Tempe, Tolleson, Laveen and Daisy Mountain. Our three fire stations are geographically distributed throughout our community and the Sun City Fire & Medical Department run in excess of 14,000 calls annually.

Minimum requirements for this position are: 18 years of age or older; valid Arizona driver's license; current Arizona State emergency medical technician (EMT) or certified emergency paramedic (CEP) certification; high school diploma or GED equivalent; documentation that provides proof of identity and employability as required by IRCA law.

This position requires both FireTEAM written exam (**WAQ component is required**) and a valid CPAT (within the last six months) certification. Oral interviews will begin October 2022.
