Questions regarding this position or the hiring process should be directed to the District's Human Resource office at hr@scfmd.az.gov

Sun City Fire & Medical Department is looking for some exceptional men and women to become valued members of our professional, innovative, and progressive public safety agency. We are accepting applications for full-time Firefighter (Lateral) positions. Our application can be found on our website at www.scfmd.az.gov in our *Employment Opportunities* section.

Sun City is the first active, planned adult community in Arizona. The Sun City Fire District was formed on June 16, 1966 and is one of the busiest of the 130+ fire districts in Arizona. The Sun City Fire District is 17.5 square miles and encompasses the communities of Sun City, Youngtown, and Citrus Point. We are part of the Phoenix automatic-aid system of 22 fire departments encompassing the greater Phoenix area.

Our three fire stations are geographically distributed throughout our community and house our three ALS Engine companies, one ALS Ladder company and four ALS ambulances. Our Operations Division is currently made up of 63 sworn Firefighters and 24 non-sworn EMS personnel.

Minimum requirements of this position are: 18 years of age or older; current CPAT (6 months or less) or completion of a Phoenix Regional Training Academy; minimum one year experience as a paid firefighter; valid Arizona driver's license; current Arizona State emergency medical technician (EMT) or certified emergency paramedic (CEP) certification; high school diploma or GED equivalent; documentation that provides proof of identity and employability as required by IRCA law.

Sun City Fire & Medical Department's Mission Statement

*To professionally protect, prevent, and educate;
Provide professional emergency fire, rescue, and medical services;
Prevent fires before they start through an aggressive inspection program;
Provide programs that educate and inform the public on fire safety and health matters;
We serve today to protect your tomorrow.*
